I am an experienced web application developer with strong skills in building clean, stable, and scalable applications. I am eager to contribute my expertise and modern development practices to your projects. I would greatly appreciate the opportunity to interview and discuss how my skills and experience can contribute to your success.

## Experience

### Senior Software Engineer

**Zabai Bangladesh Limited**
01/2023 – 01/2026 · Dhaka, Bangladesh

- Customized PHP–Moodle plugins to enhance LMS functionality.
- Designed and developed multiple E-learning mobile apps using Flutter.
- Developed E-learning web platform, ensuring a seamless learning experience.

### Software Engineer

**Zabai AS.**
05/2023 – 02/2024 · Oslo, Norway

- Participated in the NOREC Exchange Program as a Software Engineer at Zabai.
- Developed E-learning solutions and enhanced platforms utilizing Django.
